CORAM: R.M.S.KHANDEPARKAR, J

DATED: 22nd DECEMBER, 2006.

P.C.

. The question of extending the period for disposal of the matter by the Trial Court at the request of the parties does not arise. Once the direction is given to the Trial Court to dispose of the matter within a specified period, the Trial Court is expected to dispose of the same within the said specified period, otherwise seek extension while submitting explanation for non-disposal of the matter within the specified period. With these observations, the application is disposed of.
